for proper class placement / approvals.

Every dance studio has different criteria for the way they level their classes. At Illumination, we have open level classes divided by age for ages 3 through 18. Our leveled classes begin around the age of 10 and students are placed by ability by our teaching team. Our leveled classes are intended for dancers who have displayed great focus in class, a willingness to learn & apply corrections, proper technique and are ready to take their dance education more seriously.
